___ *Postcards*

Hello Team Brian Volunteers!

Thank you for agreeing to share some of your time with this campaign. To us, you are not just writing postcards. You are advocating for democracy, one handwritten note at a time.

And we are deeply grateful.

This particular list of postcards is for:

- Registered Democrats

This is a critical group of people to reach because they likely do not know that the election is happening. *Please make sure to include the election date in your postcard.*

Please consider these points in your message:

- The Special Election is March 24th
- Ask them to vote for Brian and feel free to share something about how awesome our candidate is. Some examples:
 - Union Leader
 - Navy Veteran
 - Fighter for Working Families

We've also included some suggested sample copy on the next page.

Thank you for all that you do!
