

Brian Nathan

FOR FLORIDA SENATE DISTRICT 14

Phone Script – Vote By Mail

Hi I'm calling about an upcoming Special Election in your district. Are you aware that there is a Special Election on March 24th?

Have you already returned your vote-by-mail ballot?

I wanted to remind you that ballots must be received by Election Day - March 24th - to be counted. They do NOT count if they are only postmarked by that day. Do you plan to mail your ballot before March 24th?

That's great! Would you like to hear about Brian Nathan, the Democratic Nominee in this Special Election?
